PETITIONING THE COURT

☒ To withdraw the warrant or summons issued May 27, 2022 as follows:

The defendant released from BOP custody on May 17, 2022, to begin a three-year term of supervised release. A warrant was requested by United States Probation on May 27, 2022, due to the defendant's failure to check in with United States Probation and no knowledge of his whereabouts. However, Mr. Padilla did come to the probation office on June 1, 2022, to check in for his supervision. He admitted that he failed to check in with probation upon his release and stated that he had relapsed using methamphetamine the day after his release. He did submit to a drug test that tested positive for methamphetamine and signed the acknowledgment form. He was scheduled to report to the probation office on Monday, June 6, 2022, for the supervision set up. Mr. Padilla reported to the probation office on June 6, 2022 and has again tested positive for methamphetamine and has signed an acknowledgment form admitting use on Saturday, June 4, 2022.

It is respectfully recommended that the warrant be withdrawn. Probation will be working with the defendant to provide treatment services and attempt to bring him into compliance.
